

Week Commencing Monday 14<sup>th</sup> October 2024

## Headteacher's Update

Dear Parents and Carers

We have had some lovely feedback from the Year 7 activity days and although some of them were so unlucky with the weather, they seem to have enjoyed their sheep herding, farm Olympics and time to get to know each other better.

We have also had some great feedback from prospective parents who have taken the opportunity of joining an open morning, with the school having to lay on a further 3 dates due to their popularity. If you do know of anyone with a year 6 child, the deadline for application is **31<sup>st</sup> October**.

Also, look out for the first edition of Connect, our school magazine. I know I would say this but it is a phenomenal publication, entirely student-led and highly professional. Our theme this term is "New Perspectives"

Thank you, Mr Farrer

## Lost Property

Each term, we have a large amount of lost property left at **Student Reception**, which often goes unclaimed.

At the end of each term, unnamed and unclaimed belongings are disposed of and can no longer be collected.

**This term the deadline for collection from Student Reception is:**

**Wednesday 23<sup>rd</sup> October between 3:00pm – 4:00pm only.**

Lost property remaining unclaimed by this date will be donated to the St Laurence School Association or a local charity.

## Food Allergy Update

### **RE: UPDATE Nationwide Allergy Warning on behalf of the Food Standards Agency**

Further to our communication on the 23rd September advising of the potential peanut contamination of food containing or may containing mustard; Impact Food Group can confirm that we have reviewed all of our products and suppliers and are now satisfied that none of our products have been affected by this notice.

We will be advising our teams to remove notices and to relax all additional controls that we implemented during this period. Impact Food Group will always put food safety and the safety of our customers at the forefront of everything we do, and we thank you for your cooperation.

Should you have any queries regarding food allergens in our restaurants, please contact [safety@impactfood.co.uk](mailto:safety@impactfood.co.uk)

Yours faithfully,

## Introducing the School Chaplain

Hello!

My name is Dan and I am the Chaplain here at St Laurence School. This is a relatively new post for the school which started last September. I'm currently in school all day each Wednesday.

**What is "Chaplaincy"?** Chaplaincy is becoming a feature of a growing number of state schools, both Church and Community. The aim is to serve the spiritual needs and wellbeing of the school community in a more holistic way.

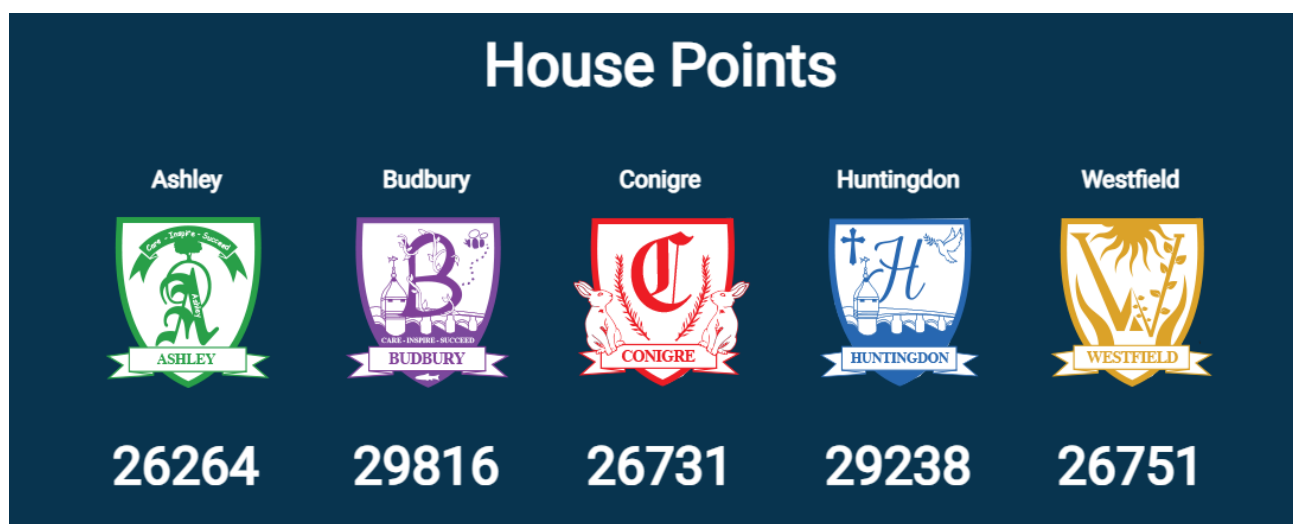

Since the onset of Covid-19 in particular, schools with Chaplains have come to appreciate their value even more – as a familiar and approachable presence, a trusted member of the school community, who is identifiable as a person of faith, available for conversations with young people and members of staff who need someone to talk with, share burdens and, perhaps, pray.

I work in line with core national standards for educational chaplaincy, am fully trained in the school's safeguarding procedures and report directly to the Headteacher.

**What does it look like?** As Chaplain I am present in school every Wednesday, being available for conversations with both pupils and members of staff. I offer a variety of support in school, such as leading discussion groups/a Faith Space, supporting students through one-to-one and group mentoring, running prayer spaces for students and staff, participation in collective worship and helping with supervision duties, among other things.

If this is something your child might be interested in, they can find me in Breathing Space every Wednesday or they can email [chaplaincy@st-laurence.com](mailto:chaplaincy@st-laurence.com)

## Free Period Products Available at School

The period product scheme is available to all state-maintained schools in England. It provides free period products to girls and women who need them in their place of study.

Period products, such as pads and tampons, should be available for all who need them, when they need them, in order to access education.

Having periods should not be a barrier to education for anyone. Making girls and women aware of the scheme is vital to making sure they can access period products when they are needed and to reduce the stigma surrounding periods.

This may include, for example, where students:

- have forgotten their own period products
- cannot afford period products
- have started their period unexpectedly

Currently in school we have a range of free sanitary products available in the following locations for students to access:

- Student Reception & Medical Room
- PE Department Office
- 6<sup>th</sup> Form Office - from Mrs Brown & Mrs Chatfield
- Fitzmaurice Toilets - available during break and lunch

## From: Mr Blowers – Director of 6<sup>th</sup> Form

Dear Parent/Carer & Students,

You are warmly invited to our **6<sup>th</sup> Form Open Evening on Thursday 7<sup>th</sup> November 2024 in Trinity Hall.**

The format will be as follows:

### **Students in Ashley, Budbury and Conigre 1-5**

Presentation from the Headteacher, Head Students & Director of 6<sup>th</sup> Form at **5pm in Trinity Hall** where you will also receive Named Prospectuses. Then you will be invited to tour around the school and visit subjects to gain more information

### **Students in Conigre 6-10, Huntingdon & Westfield:**

Presentation from the Headteacher, Head Students & Director of 6<sup>th</sup> Form at **6pm in Trinity Hall** where you will also receive Named Prospectuses. Then you will be invited to tour around the school and visit subjects to gain more information

Individual student letters will come home with further detailed information about the event. We look forward to seeing you all there.

The poster features the St Laurence School crest and logo at the top left, with the text 'St Laurence School Care • Inspire • Succeed'. Below this, there are two photographs: one of students working at a table and another of students using laptops. The central text reads 'Open Evening 6th Form Thursday 7th November 2024 5:00pm – 7:30pm'. At the bottom left is the '6th Form Centre' logo. The bottom right contains a map of the school's catchment area with red lines connecting various locations to the school. Text at the bottom center states: 'Presentations led by the Headteacher and Director of 6th Form will be at 5:00pm and 6:00pm in Trinity Hall, followed by a tour of the school.'

## **Fundraising for Doctors without Borders**

For many years now, our 6<sup>th</sup> Form Leadership Team have led on fundraising for a key charity. This year it was for 'Doctors without Borders', working in Sudan as a result of the catastrophic civil war, subsequent famine and mass homelessness.

The Team delivered a fantastic event with Limbo, Guess the Sweets, Golf Putting, Football and Netball competitions an amazing array of cakes to sell, Vintage clothes sale, Cup stacking, Pingpong challenge and finally, some very game staff who were willing to get soaked, (we were not warned about the buckets!), all for this tremendous cause.

The sun shone and our students were magnificent. We raised over £300 for this charity and once again our 6<sup>th</sup> form demonstrated what an altruistic and collaborative team they are.

Huge thanks to all the 6<sup>th</sup> Form who led events, and all the students that attended. It is these events that show the exceptional qualities of both our 6<sup>th</sup> Form leaders, and those who supported the event, and I am immensely proud of them.

# 10 Top Tips for Parents and Educators TEACHING CHILDREN FIRE SAFETY

Fire safety is especially important around Bonfire Night, as fireworks, bonfires and sparklers add extra risks for families and young children. Every year in the UK, thousands of accidents occur due to improper handling of fireworks and neglecting fire safety measures. This guide offers practical tips for keeping children safe when handling everything from fireworks to space heaters.

## 1 BONFIRE NIGHT AWARENESS

Bonfire Night is exciting, but it comes with several inherent risks. Educate children about the dangers of fireworks and open flames. Teach them that only adults should handle fireworks and that bonfires should never be approached. Keep children at a safe distance (at least five metres away) from bonfires and explain why supervision is crucial during these events.

## 2 SUPERVISE FIREWORK USE

Fireworks should only be handled by responsible adults who are following UK laws and guidelines. Make sure to buy fireworks that meet British Standards and adhere to all instructions that come with them. Keep children a suitable distance from any firework activity and designate an adult to supervise the event. Ensure no one goes near fireworks after they've been lit.

## 3 SPARKLER SAFETY

Sparklers are often captivating for little ones, but they can burn at extremely high temperatures – over 1,000 °C! Only allow children over the age of five to use sparklers, and make sure they wear gloves. Teach them to hold sparklers at arm's length and never wave them near others. Once a sparkler has burned out, extinguish it fully in a bucket of water – which you should prepare beforehand and always keep nearby.

## 4 ORGANISED DISPLAYS ARE SAFER

If possible, families should attend an organised fireworks display rather than holding one at home. These tend to be far safer as they're run by professionals adhering to strict safety regulations. Organised displays also provide a controlled environment where children can enjoy the event from a safe distance, reducing the risk of accidents.

## 5 KEEP FIREWORKS AWAY FROM THE HOME

If you are hosting your own fireworks display, set them off well away from homes, sheds or fences to avoid starting accidental fires. Choose a wide-open space with no flammable materials nearby and keep a means of putting out fires to hand in case of emergency – such as a bucket of water, a hose or a fire extinguisher. Afterwards, ensure that all fireworks are fully extinguished and never attempt to relight one if it doesn't go off.

## 6 BONFIRE SAFETY

If you're building a bonfire, place it well away from trees, buildings, fences or anything else flammable. Make sure it's structurally sound and not at risk of collapsing. Only burn natural materials like wood and leaves, avoiding petrol or other accelerants. Children should be kept far away from the bonfire, and it should always be supervised by adults. Be sure to fully extinguish the bonfire before you leave it.

## 7 "STOP, DROP AND ROLL"

Ensure that children know what to do if their clothing catches fire. Teach them the simple "stop, drop and roll" technique, which can quickly extinguish flames. Practice this with them before events like Bonfire Night, so they feel confident if the need to use it arises. It can also be helpful to keep another means of putting out these kinds of fires on standby, just in case. An extinguisher or flame-retardant blanket are both sound choices.

## 8 SECURE CANDLES AND OPEN FLAMES

Beyond Bonfire Night, everyday fire safety is also crucial. Candles can be a common fire hazard, especially in homes with young children. Teach children not to touch any open flames, and ensure candles are placed in sturdy holders away from combustible materials. Never leave candles, incense burners or other such items unattended, and always extinguish them fully before leaving a room or going to bed.

## 9 EDUCATE ABOUT FIREWORKS HAZARDS

Make sure children understand the dangers of playing with fire or fireworks, and how to handle such things responsibly. Emphasise that fireworks are not toys and can cause serious injuries when improperly used. Demonstrate the importance of treating fire with respect and the consequences of misuse, which can help temper any curiosity and any resultant dangerous behaviour.

## 10 FIRST AID FOR BURNS

Even if you have the best possible precautions in place, accidents can still happen. Keep a first aid kit on hand. Ensure you know how to apply basic first aid to burns, so you can teach children those techniques too. If someone suffers a burn, run it under cool water for 20–30 minutes. Never use creams or ointments, as these retain heat and can cause further damage. Instead, seek medical help if the burn is serious.
