

# New timings for the D1 bus service linking Warminster Westbury, Trowbridge, Bradford-on-Avon and Bath

including bus service D1x which provides more direct journeys to Bath from Trowbridge and Bradford-on-Avon

Starting on 1 September 2024

On 1 September 2024, The First bus company will be slightly revising the timetable of bus services D1 and D1x to improve reliability. They will also be introducing an extra journey to Bath on Sunday mornings, to assist those who need to arrive in the City before 10am.

The D1x service will also continue to provide a faster and more direct journey to Bath from Trowbridge and Bradford-on-Avon, every hour during the daytime on weekdays and Saturdays. The D1x is normally operated with modern double decker buses, giving plenty of space for everyone. Therefore if you are travelling from Trowbridge to Bradford on Avon or Bath, please use the D1x if you can, so that there is more space on the ordinary D1 buses for passengers who cannot use the D1x.

New timetables for services D1 and D1x are included in this leaflet – please check them carefully as the timings will be slightly different and some buses will run earlier than before. The times of bus service 24 from Warminster to Salisbury are also being slightly amended and the timetable is now included in a separate leaflet – please pick up a copy from Warminster Library or email [buses@wiltshire.gov.uk](mailto:buses@wiltshire.gov.uk) or ring **01225 718080** if you would like a copy sent to you in the post.

Further details about bus services D1 and D1x can be obtained by ringing the First bus company on **0345 646 0707**. Comments and suggestions about these services can also be made by sending an email to [buses@wiltshire.gov.uk](mailto:buses@wiltshire.gov.uk) or by writing to the **Bus Network Manager, Passenger Transport Unit, Wiltshire Council, County Hall, Trowbridge.
