Keeping children safe online

Our students will be using technology to learn remotely for the foreseeable future. Please see the below resources for advice and information on how you as parents / carers can best keep them safe online:

The government produced some guidance including tips for parents and links to provide further support which is useful:

https://www.gov.uk/guidance/covid-19-staying-safe-online#parents

Additional sources of safeguarding information about online learning:

Internet Matters set up to empower parents and carers to keep children safe in the digital world. Their support for parents includes downloadable guides covering subjects such as vlogging and livestreaming, online gaming and cyberbullying.	https://www.internetmatters.org/
NSPCC includes a range of resources to help parents keep children safe when they're using the internet, social networks, apps, games and more.	https://www.nspcc.org.uk/ tel:08001111 (childline)
Parent Info from CEOP and Parent Zone, Parent Info is a website for parents covering all of the issues amplified by the internet. This website provides expert information across a range of online harms.	https://parentinfo.org/
Parent Zone offers a range of resources for families to help them meet the challenges of the digital age, including parent guides on the latest digital trends and platforms.	https://parentzone.org.uk/home
