

Dear Parent/Carer

St Laurence School is a cashless school as far as possible and we operate a cashless catering system. We use the Biometric Trust-e Cashless System supplied by Nationwide Retail Systems Ltd. In order for your child/ren to use the biometric system we require the consent of at least one parent of all students under the age of 18.

There is more information about the Cashless Catering system and the use of Biometrics on the School website:  
[www.st-laurence.com/cashless-payments](http://www.st-laurence.com/cashless-payments)

In order that the biometric information of your child/ren can be processed, please complete and sign the form below and return to Student Reception in an envelope marked "Cashless Catering Registration".

Please be assured that this information remains within the school and that the biometric information taken is an algorithm and not the actual finger print.

If you choose not to have child/ren registered the school will provide an alternative method of identification in the form of a 4 digit PIN code. The preference of the school is to use biometrics as this is more secure and faster than any other method of identification and we will be very pleased to receive your consent.

Yours sincerely
