

Eat.Sleep. STEM.Repeat.

Wiltshire Mighty Girls

is hosting a screening of Eat. Sleep. STEM. Repeat.

HEART-WARMING

Exploration into what would happen if more girls were to Eat. Sleep. STEM. Repeat.

WOMEN IN STEM

In 2015, only 14% of those working in the UK's STEM industries were women - social norms are changing.

OUTBOX INCUBATOR

A first of its kind, Dragon's Den meets Big Brother house experience.
