Payments to St Laurence

Please be reminded that ParentPay is the school's preferred method of payment for trips, events and purchase of goods.

ParentPay

Please log into your ParentPay account to pay for the items listed on the table (right) if relevant.

Car park and surrounding areas

Polite reminder:

Please use the car park to 'roll and drop' your child for school each day. Please refrain from using the main roads outside, however if you do use the roads outside of school can we please ask that you are courteous and mindful of parking in residential areas. Our relationship with our neighbours are very important to us. They have to be very tolerant of a large amount of footfall and traffic that access the site every day.

Saturday

11.30am at the
Old Mill

Batheaston by
the tollbridge

20th | October

This tranquil spot is only approximately 5 minutes' drive from the centre of Bath and is easily reached from the M4 motorway. From Junction 18 on the M4 motorway, it is only a 15 minute drive to the Old Mill.

The Old Mill is located just off the A4 signposted Batheaston and the hotel entrance is positioned on the left just before the toll bridge. We are approximately 2 miles from the centre of Bath.

You need to park on the public road and walk along an alley which runs along the back of the old mill hotel car park to enter the rear of the boathouse site.

This activity is FREE.

If people wish to carry on then club fees are currently £50 for juniors and £100 for adults.

We will learn in doubles and a quad with a view of a days racing in doubles. We have a full selection of boats - singles doubles fours and eights. Any training will be aimed to complement and enhance rather than compete with the rugby club. In the winter season the training would be on Saturdays

Parents - we will also be looking at open water swimming and paddle boarding.
