

Dear Parent/Carers,

It is with a heavy heart that I write to inform you that I have had to cancel this years' Year 10 trip to Berlin due to the UK FCO instruction against any non-essential travel. Whilst this is not entirely unexpected it still saddens me to have to rescind what would have been a fantastic experience for the students, and whether we will be able to run the trip next academic year is simply impossible to say at the moment.

Thankfully the school is insured against such unforeseen circumstances and the one piece of good news from all this is that you will be returned all the monies paid thus far. As soon as our insurer pays out on our claim your money will be returned to you; how long this will take is presently unknown, but be assured that the school is moving to achieve this as quickly as possible.

Please do not hesitate to contact me should you have any queries regarding this.

Kind regards

Mr MacLachlan
