

Please find a simple guide below to support you in setting up your UCAS account for applying in 2021 or beyond. This is the system that you should use if applying to study an undergraduate degree course at University.

It is a very user-friendly online system which saves automatically each time you work on your application. This is the system that you should be using from now on.

1. Search “UCAS Login” and “Student Sign in”

2. Click on the Tile for “Undergraduates”

# UCAS

4. **Complete Registration:**  
You will be asked if you are applying through a “**School or College**” this is the option you want to take.
5. **Buzzword** – This is the word that will link you to our school. Our buzzword for 2021 is:

**StLaurence**

When all this is done you should be able to complete your registration. At this stage you may not have specific courses at particular Universities to input, but if you want to start you can. There is nothing to be scared of. You can change and edit this at any time you want.

Hopefully that has helped. If you have any questions let me know. Take care and look forward to catching up soon.

All the best
