

Southwick/Westwood Bus

Bradford Town Council have imposed a temporary one way traffic system within Bradford on Avon and Beeline have raised a concern that the added traffic congestion within the town will delay the school bus arriving at school at an acceptable time so as a precautionary measure, the times of the school bus regrettably need to be altered to accommodate this potential issue. Therefore from the new term, Beeline coaches bus B3111 will collect 10 minutes earlier. The times on the bus pass received recently are incorrect. The new times as follows:

Southwick, Church	0725
Southwick, Hoopers Pool	0727
Wingfield, The Poplars	0735
Wingfield, Frome Rd	0736
Lower Westwood, New Inn	0740
Westwood Turning circle	0743
Westwood Post Office	0745
BOA, Elms Cross	0750
St Laurence School	0825

I am sure this maybe a disappointing but as I am sure you'll appreciate the need to ensure swift arrival at the school during these challenging times ahead.
