

Dear Parent,

Further to my email on the 25<sup>th</sup> August concerning the re-timing of the Southwick/Westwood bus to St Laurence due to the new traffic lights within the Town.

I am pleased to inform you that the removal of the traffic lights on Bradford Town bridge has helped significantly with traffic flow through the town and as a result, the Beeline coach is now arriving too early at the school so I am now pleased to inform you that from Monday 14<sup>th</sup> September, the Beeline Coach B3111 will revert to its normal timetable.

The new times as follows:

Southwick, Church	0735
Southwick, Hoopers Pool	0737
Wingfield, The Poplars	0745
Wingfield, Frome Rd	0746
Lower Westwood, New Inn	0750
Westwood Turning circle	0753
Westwood Post Office	0755
BOA, Elms Cross	0800
St Laurence School	0825

I'm sure this news will be welcomed by all especially as the pupils are they faced with new school practices and routines at school.

Kind regards,
