ADMISSION POLICY

St Laurence School 's Admission Policy for 2023/24

1. General Information

This policy applies solely to applications for places in years 7 to 11 at St Laurence School. As an Academy, St Laurence School is able to act as its own admission authority. The Governing Body is responsible for determining the procedures and policies.

The admission policy of St Laurence School is, while there are adequate places, to offer a place to all applicants irrespective of gender, religion, ethnicity or country of origin, disability or academic ability. This is subject to St Laurence School being able to meet the reasonable, specific needs of the child, within the resources available.

This school participates in the Local Authority's Fair Access Protocol.

a. Designated Area

A designated area is a discrete geographical zone served by a school (see map on page 8 detailing St Laurence School's designated area). The address that determines a child's designated area is the place where s/he is ordinarily resident with his/her parent(s) or legal guardian(s) for the majority of the school week. Most schools have a discrete designated area but some addresses fall within areas shared by two or more schools. Children living outside the county boundary are treated as if the children live within Wiltshire but outside the designated area for the school(s) in question.

b. Deadline

Applications for Year 7 Year entry for the academic year starting September 2023 should be made on Wiltshire LA's common admissions form and sent to Schools Admissions Department at County Hall, Trowbridge, or by applying online from 1st September 2022 at www.wiltshire.gov.uk. The closing date for applications is midnight on 31 October 2022. All applications received after midnight on 31 October 2022, including those directed incorrectly to schools and not forwarded to the LA before the deadline, will be treated as late applications and considered only after those applications received before the deadline have been determined. Places offered must be accepted by 14th March 2023.

c. Shared Responsibility

Where two adults have shared responsibility for a child they should agree before submitting an application form which school(s) to name as their preference(s). In cases of dispute, or when two application forms are submitted, the LA will process the application received from the adult with whom the child is living. The address shown on the child benefit notification letter or bank statement where the child benefit is credited to will be taken as evidence of residency. If this is not available then the address showing on the child's NHS medical card can be used as evidence of residency.

d. Multiple Births

St Laurence will endeavour to place siblings born at the same time (e.g. twins, triplets etc.) in the same school. If necessary St Laurence will admit over PAN to accommodate such children.

e. Admission of Children Outside their normal Age group

All applications for children requesting admission outside their normal age group will be processed as outlined in Wiltshire Council's Co-ordinated Admissions Scheme, which has been drafted in line with the School Admissions Code.

2. SEN

Children with Educational Health Care Plans or Statements of Special Educational Needs must be admitted to the school named on their statements or plans. Once a statement, or plan, reaches the formal proposed stage the administration of the admission of the child becomes the responsibility of Central SEN Services. Where St Laurence is named in a child's Educational Health Care Plan or Statement of Special Educational Needs, the governing body recognises a duty to admit the child to the school.

3. Oversubscription Criteria

Where St Laurence School is over-subscribed, places are allocated to children in order of the ranked criteria listed below:

a. Looked After Children / Previously Looked After Children

A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear {to the admission authority} to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of the local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services function (see the definition in Section 22(1) of the Children Act 1989).

b. Vulnerable Children

Namely children from families registered with the National Asylum Support Service; children or families with a serious medical, physical or psychological condition where written evidence is provided at the time of application from a senior clinical medical officer and the general practitioner or specialist showing that it would be detrimental to the child or family not to admit to the preferred school; children with particular educational needs where written evidence is available from Central SEN services to show that it would be detrimental to the child not to be admitted to the school; children who are carers of disabled parents (Young Carers).

For the purpose of the above criteria the word 'families' is determined as living at the same address at the time of application and also living at the same address on a permanent basis. Proof will be required.

c. Designated area and Shared Area Multiple Births

Children who are twins (or other children of multiple births) applying for places at the same time and who are living at the same address which is within the designated area or shared area of the school.

d. Designated Area Siblings and Shared Area Siblings

A child is considered under this criterion if a sibling is attending the school as at the deadline date and where the child lives within the designated area or shared area at the same address as the sibling. Step, half, adopted and foster siblings are included in this category. All siblings must be declared on the admission form since it is very difficult to cross-reference every application.

e. Other Children from the Designated Area or Shared Area

Children resident within the designated area or shared area who do not qualify under one of the above criteria.

f. Non Designated Area Other Siblings

A child is considered under this criterion if a sibling is attending the school as at the deadline date and where the child lives at the same address as the sibling. Step, half and foster siblings are also included in this category. All siblings must be declared on the admission form since it is very difficult to cross-reference every application.

g. Children of Staff Employed at St Laurence School

A child is considered under this criterion if one or other of their parent/guardian is employed by St Laurence School on the date of application.

h. Other multiple births

Children who are twins (or children of other multiple births) applying for places at the same time and who live at the same address which is outside the designated or shared area for the school.

i. Other children

Children to whom none of the above criteria apply.

Tie Break

If the school is oversubscribed within any of the above categories the straight-line distance from the child's home address to the school will be used as the determining factor. Distances supplied by the LA will be used and these will measure the straight line distance using the Ordnance Survey eastings and northings for the child's home address and the school. Those with the least distance will be given priority. In the event of there being equal distances the priority will be decided by casting lots (random allocation) by the school.

4. Early or Delayed Transfer

a. Early transfer

Children may only transfer early to a secondary school if it can be shown that they are exceptionally mature and would benefit from accelerated learning. Each such request involves consultation with the current school, the school to which the child wishes to transfer and where appropriate, in consultation with the professional adviser(s) of the School and the Local Authority. The application will not be agreed if one or more parties consider that the transfer would be inappropriate.

b. Delayed transfer

Children may remain for a further year in a primary-phase school if it can be shown that they have exceptional needs. Each such request involves consultation with the current school, the school to which the child would otherwise wish to transfer and, where appropriate, the LA's professional adviser. The application will not be agreed if one or more parties consider that the delay would be inappropriate and the child's name will be removed from the school roll at the same time as his/her chronological peers.

Reference will be made to the Protocol on Delayed Transfer or Retention of Pupils out of their Chronological Year Group due to Special Educational Needs.

5. Service Families

Applications for children of service personnel with a confirmed posting to the county, or crown servants returning from overseas to live in the county, will be considered in advance of the family moving into the county if necessary. Where possible, an application must be included in the normal admission round.

An official letter, such as a posting note or letter of support from the commanding officer should be sent to the local authority as soon as possible. This should include the relocation date and Unit postal address or quartering area address (the address of the closest house in the nearest 'quartering area').

Until a fixed address is available, the Unit postal address or quartering area address will be used and a school place allocated accordingly.

The local authority will not refuse a service child to a place because the family does not currently live in the area, and will not reserve blocks of places for these children.

Children will be considered to be siblings if any brother or sister is going to be attending a school. Their position on

any waiting list will be set accordingly.

6. Children from Overseas

Children who hold a full British Citizen passport or children whose passport has been endorsed to show they have the right of abode in the country are entitled to apply for a place at a maintained school. The passport or visa should be made available for inspection before an offer of a school place can be made. Asylum seekers should make available evidence of their right of abode as provided by the National Asylum Support Service.

Applications on behalf of children currently living outside the UK will be considered but until the children are resident in the country their home address will be considered as being their place of residence outside the UK. Exceptions to this would be instances where children are of parents returning from foreign postings, such as UK service personnel and other crown servants (including diplomats) who have been posted abroad on a fixed term contract and who are returning to live within the UK.

7. Waiting Lists

If your child is refused a place for the main entry (i.e. Y7) for September 2022 the School will maintain the waiting list. Should your child be refused entry for any other year group please contact St Laurence School directly if you wish to be placed on the school-held waiting list.

Waiting lists will be maintained for all intake year groups in schools. Children will automatically be added to these lists if a preference higher than the school place offered has been refused. All applicants have the right of appeal against any refusal of a place. The existence of a waiting list does not remove this right from any unsuccessful applicant.

The position on the list will be determined by applying the published over-subscription criteria and not by date order of receipt. This will mean a position will change if a later application is received from someone with higher priority according to the oversubscription criteria.

Parents may submit a fresh application for the next academic year group which will be considered from 31st May 2024 onwards.

Places that become available will not be offered to pupils who are not on the waiting list.

If your child is offered a place from a waiting list at St Laurence School then you must accept or decline the place within 14 days of the date of offer. If the place is not accepted then a further letter will be sent informing the applicant that should they not accept or decline the place within 5 days the place will be withdrawn. A further letter will be sent informing the applicant the place has been withdrawn.

Notes:

- Names will only be removed from the lists if a written request is received or if the offer of a place that becomes available is declined or is withdrawn because of lack of response to the offer (see above).
- Registration of interest on a school's Pre-Admission List will not be considered as an application for a school place.
- Parents must contact St Laurence School to obtain information on the existence and/or maintenance of a waiting list.
- Except for Service Families, children will be considered to be living within the designated area for a school on receipt of an exchange of contracts or a signed tenancy agreement.
- Except for Service Families, children will not be considered to be a sibling unless their brother or sister is attending the school and is expected to still be in attendance at the chosen start date.
- **Parents holding a place, who have secured an independent school place for their child, are asked to withdraw well before the end of the summer term in order to release a place in good time for another child on the waiting list to take it up.**

8. Late or in year Applications

These are applications received after the intake deadline and any applications received for other year groups.

Other than in exceptional circumstances and in agreement with the two schools involved, a transfer will, if the applicant is not moving address, only be considered as being for the start of the next traditional term. Any additional applications will be considered together with any applications already on a school's waiting list.

Applications received at least one traditional term before the term in which admission is being sought are considered together and are ranked using the oversubscription criteria listed in paragraph 2.

Applications will be made via the Wiltshire School Admissions team for reasons of safeguarding and coordination.

Applications received requesting more immediate admission are considered in the order that the School Admissions Team receives them. If more than one additional application for a particular school is received on the same date places are allocated to children in order of the ranked criteria as listed above.

In all cases parent(s)/guardian(s) will be invited to state up to a maximum of three secondary ranked preferences. An offer will be made at the school listed as highest preference which has an available place.

If your child is offered a place at St Laurence School then you must accept or decline the place within 14 days of the date of offer. If the place is not accepted then a further letter will be sent informing the applicant that should they not accept or decline the place within 5 days the place will be withdrawn. A further letter will be sent informing the applicant the place has been withdrawn.

If your child is offered a place at St Laurence School and you accept the place, you must take the place up within 28 days of the required admissions date stated on the original application form. Should the place not be taken up within the 28 days the local authority will then write to the parents informing them that the place has been withdrawn.

Requests for places in year groups other than the one relating to the child's chronological age will only be agreed, if supported by the LA's relevant professional adviser(s) and the school.

9. Published Admission Number

An admission number, which applies to the normal year of entry, is agreed for each school annually. Applications will generally be agreed until this Published Admission Number (PAN) for the year group in question has been reached or until the net capacity of the school has been reached. The Published Admissions Number for St Laurence School is 232.

If the governing body of any school refuses admission to a child with challenging behaviour (outside the normal admissions round) the case must be referred to the LA for consideration under the In-Year Fair Access Protocol. This will normally only be the case where the school has a particularly high proportion of children with challenging behaviour or previously excluded children.

This provision will not apply to a Child in Care (Looked after Child, a previously looked after child) or a child with a Statement of Special Educational Needs, as these children must be admitted.

Applications for a child's designated school which would exceed the admission number will usually be agreed in cases where a reasonable alternative place is not available. Reasonable in this circumstance means a school within the statutory safe 3 mile walking distance from the child's home address or a school to which free home-to-school transport would be provided.

An application for a school which would exceed the admission number will be agreed if the child has particular learning needs identified by Central SEN Services which cannot be met at an alternative school.

Any child refused a place at a school will be placed on the waiting list for that school (which will be kept in order using oversubscription criteria not date of receipt of application).

10. Sixth Form Admissions

Parents or students wishing to enrol for sixth form courses at St Laurence School should in the first instance contact the school and ask for a copy of the sixth form prospectus. This will detail the courses offered at the school and any specific entry requirements for any of those courses. The school will require an application form to be completed should the parent or student wish to make a formal application to join the school's sixth form (please refer to the school website <https://st-laurence.com/admissions-to-sixth-form> for more information). As with other points of entry to schools, highest priority in oversubscription criteria for sixth form places **must** be given to Looked After Children / Previously Looked After Children who meet the academic entry requirement.

11. Appeals Process

Parents have a right of appeal to an independent panel against any decision made by the Authority on behalf of St Laurence School. Appeals will be carried out by an independent organisation.

Information about the appeal procedure will be provided where a place at one or more of the preferred schools has been refused. Appellants should contact St Laurence School (01225 309500) to obtain an appeals form which should be returned to the School. The clerk for the appeals panel will be provided by an independent organisation. Once a place has been awarded by the independent appeal panel the place must be taken up within twenty eight days of the required date of admission stated on the original application form.

Should the place not be taken up within the twenty eight days the local authority will then write to the parents informing them that the place has been withdrawn.

12. Further Appeals

Unless there are significant and material changes, as agreed by the Director of Children's Services, in the circumstances of the parent, child or school relevant to a further application, a repeat application during the same academic year will not be considered and no fresh appeal can be made.

Where there have been material changes in circumstances and the repeat application is considered and again refused, the parents will have the right to a fresh appeal.

Parents who have appealed unsuccessfully can reapply for a place at the same school in a later academic year, and have a right of appeal if unsuccessful with that application.
