Dear Parent/Carers,

As you are aware the students sat their Cambridge Sports Studies exam in January 2021 in the middle of a national COVID lockdown. We have decided that we will enter all students to re-take this exam to give them the best chance to improve their score. The best mark from the two exams will count towards the overall final grade.

Second Exam date: Monday 10th January 2022 – start time 9.00am, more information regarding the organisation for the exam will be sent to you from the school exams officer closer to the date of the exam.

To support students leading up to the exam we are offering the below support/revision sessions on selected topics

I have attached a copy of the work and revision booklet that we are using in the lead up to the exam. There is one topic per week to complete with homework set each Friday for completion and handing in on the Monday morning. Any help and support you can give in ensuring this booklet is completed and used as part of their revision strategies will be much appreciated.

With thanks for your continued support and best wishes for the Christmas period

Kind Regards
