Maths (Higher Tier)	Term 4
4 th March 2022	Manipulating Surds
11 th March 2022	Solving Quadratic Equations
18 th March 2022	Problems Involving Ratio
25 th March 2022	Trigonometry with Right-Angled Triangles
1 st April 2022	Trigonometry with Non Right-Angled Triangles

If you would like your child to take part, then please can you complete a pre-registration on Survey Monkey: <https://www.surveymonkey.co.uk/r/6R33MHD> by **Wednesday 16th February**

When you complete the pre-registration, you will be able to choose which subject(s). It is an ideal opportunity for any student who is studying these subjects to revisit the learning as preparation and revision for the GCSE exams in May/June 2022, therefore we do recommend that students take advantage of all the subjects that they study for GCSE.

As mentioned beforehand, it will not be possible to record these lessons.

Kind regards,

Mr T. Hainsworth | Assistant Headteacher,
Director of Learning & Progress (KS4) and
Head of Geography

Mr C. Dutton | Deputy Headteacher –
Teaching and Learning
