Care • Inspire • Succeed

End of Year 2022

## Headteacher's Update

Mr Farrer has sent a personal letter to parents and carers this week, which you can read on our website: [End of Year Letter | St Laurence School \(st-laurence.com\)](https://www.st-laurence.com)

### Collective Worship: Term 6 Theme - Sustainability

God, please help us,  
Whether we have  
Faith or no faith, to...

Gain the wisdom to care for the earth.  
Help us to act now for the good of future generations.  
Help us to become instruments of a new sustainable way of living.  
May we see sustainability as a realistic goal within our community.  
We hope that all the acts of kindness continue into the future.  
Let us create real and long-lasting change for all our community.

Our final **Connect Newsletter** of the year has been published on the Website. Here's what our School Governors have to say about it:

*"the Connect magazine was commended to governors, as an excellent summary of school-life, as a showcase of a wide-range of school activities and achievement and a great marketing asset. The thanks of the FGB should be passed to all staff involved with the publication".*

Term 6 Connect reflects on the past year with an introduction from Mr Farrer; fond farewells as some of our longstanding colleagues leave us and showcases many of the activities and trips, competitive and personal achievements of our students.....and a whole lot more.

It is written by our students, with support from staff, and we think they do an amazing job – we're sure you'll agree (and perhaps encourage your own children to join the Connect team of writers next year).

You can find Connect Term 6 here
