

St Laurence School Academy Trust

Bradford on Avon

BA15 1DZ

(NOR 1401 incl 260 in Sixth Form)

Teacher of Design Technology Full time, Permanent

Required from 1st September 2023

We are seeking a talented colleague to join a highly effective team in our successful school close to the heritage city of Bath.

The successful applicant will be able to teach Design Technology to Key Stage 4 and be specialist in at least one subject (Food, Textiles, Resistant Materials)

ECTs are welcome to apply.

The department consists of a team of three (full-time equivalent) teachers, delivering Food, Textiles and Resistant Materials and a team of 1 full-time and 3 part-time technicians supporting students and staff across the department.

We believe that for students to lead happy, fulfilling and independent lives, they need to be given the tools to cope with challenge, change and failure. We encourage resilience by enabling students to manage risk and experience success, regardless of their academic strengths or personal circumstances. Students design and make products through a range of media, considering the needs of others in society. They learn an understanding of aesthetics, social and environmental issues, function and industrial practices.

To apply please refer to the Letter to Applicants, complete an application form and send it with a covering letter to Mr Tim Farrer, Headteacher to jobapp@st-laurence.com

For immediate details, please phone
01225 309506, email jobapp@st-laurence.com
